

Community Futures Parkland

Youth Volunteer of 2011

Nomination Form

Youth that volunteer have a **HUGE** impact in our communities and because of this Community Futures Parkland is showing their appreciation!

Do you know a young person, 18 or under, who is enrolled in a Parkland school that gives time to their community to make it a better place to live? Maybe that person is you, your best-friend, a student from another class or a person "who is always there" when you or community need something done.

The **CF Parkland Youth Volunteer Initiative** is a project created by Community Futures volunteer Board of Directors to recognize and support all the great work that our youth have done in the Parkland region.

A **VOLUNTEER** is a person who freely offers to do something or a person who works for organizations without being paid. The young person who displays the most commitment to community life in the Parkland will receive a **Notebook PC with Microsoft Office while four other Parkland youth will each receive an award.**

Community Futures Volunteer committee will select the Youth Volunteer of 2011 during Manitoba's Volunteer Week in April 10 - 16th, 2011. Nomination forms may be downloaded off of Community Futures website at www.cfparkland.ca, call 546-5100 to get an application sent to you.
